Autumn Term 2021- Week 2

Working in conjunction with the Telford Food Share Project the nursery is able to put together a weekly menu that uses a variety of ingredients that are healthy, nutritious and tasty. Some of the food used, has been donated by the Food Share project. Often the donations are surplus foods that would end up being wasted. We are working with the Food Share to reduce this waste by using what we can in our menus. We would like to reassure you that the food is all perfectly edible and safe for consumption. The overall goal of this partnership is to reduce food waste, but in the future, we would like to be able to offer our families and the local community meals made from this produce. This is our bid to help those that are struggling and find themselves in financial hardship. If you want to get involved or require more information, then please contact the nursery for details.
