Dear Parents and carers

Re: Nursery photos

For over 15 years we have had the wonderful Mr Finlay come into nursery to take photos of the children. Even with the current situation, we didn't want to pass up the opportunity of having Bernie come into nursery to capture the children's images, especially as we know it's the pre-schoolers final chance to have a photo pack before going to school.

Mr Finlay is booked to come to nursery on Thursday 25 June (next week! Short notice because he goes on holiday for 6 weeks after this). He will be taking photo's outside under the toddlers' canopy, so he will not be coming into the building. Bernie will have his white background set up and chairs for the children to sit on. After each photo, the chairs will be sanitised and throughout Mr Finlay won't come into contact with the children or staff.

Children that are in on the day will have their photo taken throughout the morning- their key worker and friends will be with them so hopefully we will get lots of smiles. Children not in on the day are welcome to come up with parents and siblings. We will book slots throughout the morning and parents can either wait in their car or at the gate for their photos to be taken. Please make sure you book so we know you're coming.

If the weather is awful, then we will postpone to the following Thursday (2nd July). Please keep a look out on our Facebook page for any changes.

Photo packs cost just £30 and have around 8 photos in each so they are great value. Mr Finlay aims to get them back to us within a week so the turn around will be fast.

If you wish to book a slot then please either email the nursery halesfield@telfordnurseries.org, send us a Facebook message or speak with Jackie in the office.

Please feel free to ask any questions if you require further information

Kind regards

Helen Childs
Nursery Manager
