

Dear Parents and carers

19 July 2021

What a wonderful last full week of term we had last week. The children had an absolute blast from start to finish with Music Minors, Birthday celebrations, cooking, messy play and of course graduation and pool parties on Friday. We are so proud of the learning activities we put on for the children- every day is a fun day and full of learning opportunities for them all. Thank you to our wonderful team for making it all happen.

Graduation 2021

Thank you and goodbye

I still can't believe we have reached the end of our Summer term- what a year for everyone never mind the little people. They have shown so much resilience through COVID with all the changes and rules in place. We have always tried to keep things fun and consistent for the children at nursery, to keep them happy through the hard times- we're talking COVID and of course the great fire of Halesfield, that ripped through our

playground last June! Really though, I think it is the children that have kept us grounded, with their never ending enthusiasm, optimism and energy. They have helped us power through the year and get to where we are now. Thank you again children- it's been a pleasure.

We really would like to thank everyone though including our fantastic parents, trustees and staff for the support, love and help over the last 12 months. Nursery has grown immensely and we've learnt a lot about the strength of the community and how we fit into the grand scheme of things. Without the help and support of people external to nursery we would not be where we are today nor without the help of those close to us- we will remember them for years to come. We wish our school leavers all the luck for the future- we know they will smash 'big school' as they are all ready for their next chapter. We really do have some characters that will be dearly missed so please do come back and visit us- send us some pictures and keep in touch. We love to hear how families are getting on and moving forward.

Party Day

We have one final party day on Wednesday to commemorate the end of term and Beth's final day with us. Children are welcome to come in dressed as an animal to join in the animal theme. Dressing up is fun but is totally optional so don't feel your child has to participate. The staff have planned lots of fun activities, games and I'm sure face painting will be on the cards too.

Music Minors Graduation

Rachel from Music Minors will be popping in on Tuesday to see our preschool leavers for a bonus final session. Rachel will be running through their favourite songs and handing out Music Minor's graduation certificates to the children leaving in September. Some of our preschool children have had the benefit of Rachels sessions for over two years now, so they really have become very musical and fluent in the sessions. It's such a great learning opportunity for the children and we are pleased to be able to offer this to children for free as part of our EYFS curriculum. Thank you Rachel, for all your fun and hard work- we think your fab. Keep doing what you are doing- see you next term.

Diary Dates and information
