

Dear Parents and carers

8 February 2021

What a fab week we had celebrating Children's Mental Health week last week. The children were busy being mindful and having fun taking part in yoga, exercise and even a bit of meditation! It really is lovely seeing the diverse activities that the staff plan for the children to try. This week we have Chinese New Year and Valentine's activities planned. We are putting lots of photos on our Facebook page at the moment so if you have liked our page now would be a good time @halesfielddaynursery

### Valentines

To celebrate Valentine's day the staff have organised a PJ day for the children, complete with a Valentines party. Children are welcome to come into nursery in their pyjamas or something snugly this Friday (12<sup>th</sup> February). As it is cold outside, please make sure your child will be warm throughout the day and they have proper footwear too.

### Eco Schools Update

Yeahhhhhh.... We finally completed our Eco schools award. Last week nursery was awarded the prestigious Green Flag award. We have worked hard to gain this award over the last two years, so we are extremely proud ourselves. To earn it the children have helped make positive changes within the nursery to help reduce our carbon footprint- including litter picking, recycling, and growing our own vegetables. Well done to all those involved, what a great achievement. Hopefully, we will receive our Flag and certificate soon.

### Community Fridge

The community fridge is really coming into its own at the moment. We are receiving lots of great produce for the fridge and for nursery. The fridge in the foyer is for anyone to use, so please do come in and help yourself. We are continuing to raise lots of money for the food share as well as reduce the amount of waste going to land fill. This is something we are very proud of and love doing. We honestly can not thank the @foodshare project enough for letting us get involved.
