

# Summer Term 2021- Week 2

Working in conjunction with the Telford Food Share Project and Willow Café the nursery is able to put together a weekly menu that uses a variety of ingredients that are healthy, nutritious and tasty. Some of the food used, has been donated by the Food Share project to the Café for our use. Often the donations are surplus foods that would end up being wasted. We are working with the Food Share and Willow Café to reduce this waste by using what we can in our menus. We would like to reassure you that the food is all perfectly edible and safe for consumption. At present the goal of these partnerships is to reduce food waste, but in the near future we would like to be able to offer our families and the local community meals made from this produce, in a bid to help those that are struggling and find themselves in financial hardship. If you want to get involved or require more information, then please contact the nursery for details.

## Week Commencing 26<sup>th</sup> April 2021

Monday	Tuesday	Wednesday	Thursday	Friday
Spicy Pasta bake with homemade coleslaw	Chicken breast wraps served with savory rice and salad	Sausages in onion gravy with new potatoes and peas	Meatballs in vegetable sauce, long spaghetti and pitta bread slices	Homemade veggie pizza, sweet potato fries and sweetcorn
Vanilla Ice cream in a wafer cone	Warm raspberry Jam pudding	Belgium Chocolate cheesecake	Strawberry mouse with shards of chocolate	Mini choc chip muffins or doughnuts

*\*Please be aware, allergens may be present in all dishes being served. These include: Celery, cereals containing gluten, crustaceans, eggs, fish, lupin, milk molluscs, mustard, nuts peanuts, sesame seeds. Just ask if you have any queries on food being served.*

Children will be offered fresh fruit for morning and/or afternoon snack. This week we have a choice of apples, pears, peaches, grapes, satsumas, and bananas. We also have a selection of savoury foods such as cracker, crumpets, toast and popcorn. Please ask a member of staff if you require more information.

Milk is also available during snack times and water is always available throughout the whole day. It is recommended that children bring in their own drinks bottles to minimise cross infection and help keep children hydrated.
