

Summer Holiday Menu 2020

Working in conjunction with the Telford Food Share Project and Willow Café the nursery is able to put together a weekly menu that uses a variety of ingredients that are healthy, nutritious and tasty. Some of the food used, has been donated by the Food Share project to the Café for our use. Often the donations are surplus foods that would end up being wasted. We are working with the Food Share and Willow Café to reduce this waste by using what we can in our menus. We would like to reassure you that the food is all perfectly edible and safe for consumption. At present the goal of these partnerships is to reduce food waste, but in the near future we would like to be able to offer our families and the local community meals made from this produce, in a bid to help those that are struggling and find themselves in financial hardship. If you want to get involved or require more information, then please contact the nursery for details.
